

EUROSLAG Conference 2012

Dear colleagues,

we are pleased to announce the 7th European Slag Conference. It will be held in IJmuiden, the Netherlands from Wednesday, **10th October, to Friday, 12th October 2012**. The organizers are Tata Steel, Harsco Metals Holland and Pelt&Hooykaas.

The title of the conference will be:
“Don’t waste your secondary resources”.

The Conference Centre of the Tata Steel Dudok Huis in Velsen Noord where the EUROSLAG conference will be held is only 20 miles away from Amsterdam and Schiphol Airport.

The Conference will start on 10th October with a warm welcome in the Dudok Huis and presentations of papers. The second day will continue with the presentation of papers and the closure of this day will be a forum discussion. In the evening a Gala Dinner will be given. At the last day, Friday 12 October we will take you for a site visit at Tata Steel, Harsco and Pelt&Hooykaas.

The estimated fee will be around € 400 to € 450 (depending on the amount of participants). Including:

- Conference location
- Beverages at the Conference site
- Lunch
- Transport from the hotel to the Conference site and vice versa
- Papers of the presentations
- Site visit on Friday

The Gala Dinner is optional, so the fee will be separate.

Accommodation on 10, 11 and 12 October 2012 in “Hotel Haarlem Zuid” (<http://www.hotelhaarlemzuid.nl/nl>) is **not** included.

Pre-registration

Over the past years we experienced an increasing number of visitors, but due to the economical situation it is very difficult to make a prediction of the amount of participants this year. Therefore it would be very helpful for the organizing parties to have an idea of how many of you are intending to attend the Conference.

To get some insight we would like to ask you to pre-register (without commitment) in order to determine a final height of the fee and also to determine if it is desirable to organize the Conference this year.

TATA STEEL

Tata Steel Strip Products IJmuiden / Manager CPM/ Basic Oxygen Steel plant 2

Address code 4C-01, PO Box 10.000, 1970 CA IJmuiden, The Netherlands

Attached to this e-mail you will find a pre-registration form. Please return the completed form as soon as possible but in any case before March 4th 2012.

Present a paper

Special arrangements will be given for those who will present a paper. Speakers are exempt from Conference fee and are invited for the speaker's dinner on the 9th of October.

Gala Dinner

The Gala Dinner on the 11th of October will be held on a historical site only to be reached by ship.

First come, first served!

We thank you for your cooperation. Please circulate widely the announcement and the pre-registration form.

Kind regards,

The EUROSLAG Conference 2012 organization team
